Service with Honor

Serving our country in a time of war represents one of the greatest sacrifices the men and women of America can make. For those who served overseas and made it home, we salute you. For those who served and didn't, we pray that their families realize the gratitude most Americans feel.

Still, many in the military served behind the scenes and supported the efforts of our fighting troops... some here in the states and some overseas.

Now it's our turn to honor you. Through the VA Aid & Attendance program, you may be eligible for funds that will allow you to live a safe, independent life in your own home, an assisted living community, or a nursing home.

Eligible Periods of War

- World War I: April 6, 1917 through November 11, 1918
- World War II: December 7, 1941 through December 31, 1946
- Korean War: June 27, 1950 through January 31, 1955
- Vietnam War: August 5, 1964 (February 28, 1961, for veterans who served "in country" before August 5, 1964) through May 7, 1975
- Persian Gulf War: August 2, 1990 through a date to be set by Presidential Proclamation or law

We proudly serve you because you have served us.
